Enthusiastic Meeting Held to Organize The Crossfield Baseball Club

The biggest and most enthusiastic baseball meeting ever held in Crossfield took place at the Oliver Cafe on Monday evening which was attended by business men, farmers, fans and ball players, who expressed themselves in favor of supporting a real snappy ball team for the 1929 season. According to all indications, it will be possible that Crossfield will be able to put a team in the field that will give a good account of themselves against the teams from Carstairs, Olds, Didsbury, Innisfail and Red Deer.

The meeting was called to order by Mr. M. McCool, M.L.A., and the election of officers resulted as follows: Hon. president, W. Laut; president, M. McCool; vice-president, McElroy; secretary-treasurer, S. A. Pawdrey; G. Williams, E. B. H. and Hall.

Finance committee: W. Pogue, E. Bills and Ed Myers.

Advt. committee: M. Thomas, T. Tredway and George Liv.

Reception committee: F. Laut, G. Williams and O'Neil.

Grounds committee: Ed Myers, L. Lewis and McMillan.

Captain: G. Williams.

Manager: A. Cruickshanks.

The first league game will take place at Crossfield on Wednesday, May 15th, when Didsbury will be our guests.

At the close of the meeting, the proprietors, George and Lene, were tendered a vote of thanks for the use of the dining room and the much appreciated lunch, which was served gratis.

The grounds committee, headed by Ed Myers, has been busy this week getting the seats, fences, backstops and diamond at the exhibition grounds put into first-class shape without a hitch of any kind. The boys are all doing their bit with keen interest.

It is just a sample of what can be done through co-operation.

Donations are being generously received for the support of the team. The latest donation being from E. Bills, of 50 bushels of Garnet seed wheat, treated and ready for the drill, which may be purchased from G. Williams at the United Elevator.

Another donation of cash, amounting to \$20.00 has been received from Mr. C. Webster, one of our prominent farmers.

100 FARMERS IN CONSULTATION WITH DEPUTY MINISTER OF PUBLIC WORKS

Mr. M. McCool, M.L.A., Put Forth Every Effort to Obtain Additional Road

About one hundred farmers from the Beaver Dam district and surrounding districts, were present at a meeting held in Aldrie last Thursday evening to meet the Minister of Public Works, Mr. O. L. McPherson, of Edmonton.

Mr. M. McCool, M.L.A., gave a very interesting talk on the advantage of having a market road constructed from Beaver Dam to Calgary, in order to serve the farmers of that territory.

Mr. O. L. McPherson, in reply, spoke favorably of it, but explained that the farmers in that locality were taxed under a local improvement district and at present were only assessed three mills. If they wished to pay heavier taxation and form a municipal district, he advised them that the government would be prepared to spend dollar for dollar with them to construct such a road.

If the farmers consider the road to their advantage, there is no doubt but what the project will be carried on.

ROSEBUD BASEBALL LEAGUE ORGANIZED

Red Deer, Innisfail, Olds, Didsbury and Crossfield Represented

At a meeting of the Rosebud Baseball League held in Dr. G. C. Wagner's office on Tuesday night at Innisfail, the group was reorganized with the following towns represented: Red Deer, Beattie and Sherman; Innisfail, Kirkham and Freeman; Olds, Harvey and McCormack; Didsbury, E. Gooder and Keith; Crossfield, Whitfield and Williams. Carstairs did not send delegates to the meeting.

Dr. G. E. Wagner, of Innisfail, was elected honorary president; I. W. Askin, Olds, president; C. E. Roiber, Didsbury, vice-president; A. Harvey, Olds, secretary-treasurer; F. Kirkham and Earl Freeman, Innisfail, schedule committee. The season will open on May 15.

The regular meeting of the Floral U. F. W. A., will be held at the home of Mrs. Wickerson on Wednesday, May 8th, at 2.30 p.m. Special business: final arrangement for Baby Clinic to be held on June 3rd. Interested visitors always welcome.

Bring in the Babies

The Floral U.F.W.A. are pleased to be able to announce that they have made arrangements with the Department of Public Health, to hold a baby clinic at Mrs. O. E. Jones' house on Monday, June 3rd, commencing at 10 a.m. Mothers in the community are invited to come and bring their babies and children up to six years of age.

TENNIS MEETING

The Annual General Meeting of the Crossfield Tennis Club was held in the Bank rooms on Thursday, April 25th, 1929. Mr. Winning presided. Minutes of last meeting and financial report for 1928 read and adopted.

Officers Elected for 1929
Mr. Ivor J. Lewis, Hon.-Pres.
Mr. J. P. Winning, President.
Mrs. A. Stevens, Secretary-Treas.

Members: Winning, Ballman, Emerson and Geiger compose the Ground Committee.

Gent's subscription for the year was set at \$5.00; Ladies, \$2.00, and School Youths, \$1.50.

It was decided to arrange a handicap tournament at once among ourselves in order to create enthusiasm both in our new and former members.

Membership cards may be had upon request from the above mentioned Secretary-Treasurer.

Every one is becoming enthused over the prospect of tennis. The courts are in good condition, the weather is improving and will soon be ideal, and there is a real good membership roll up, that no difficulty will be encountered in keeping the courts filled with eager players.

CHURCH MEMORIAL BLESSED

On St. Mark's Day, the Rev. H. Clay blessed two heavy brass candlesticks for the use of the Church of the Ascension. They are inscribed thus, "To the glory of God, and in loving memory of our mother, Mary A. Wigle, Died, January 5th, 1926," and "Presented to the Church of the Ascension by the children of Mary A. Wigle."

At the same service, the late Mrs. Wigle's great grandson, the son of Mr. and Mrs. Arnold High was christened. He received the name of Harold David Merrick. His Godparents were Mr. and Mrs. Melville Reid.

Master Vivian Major has made and presented to the Church of the Ascension, two lovely boards, one being for the hymns and the other for the psalms. We are quite proud of the workmanship and they are most useful in the services of the Church.

CROSSFIELD DISTRICT VISITED BY MILLION DOLLAR SNOWFALL

The Crossfield district experienced a slight soaking with rain and snow during the first of the week, which removed the prospect of seeding for a few days, but was enthusiastically received by the farmers. The average amount of moisture for this month in Southern Alberta is far greater than the records show for previous Aprils in seven years. All this is helping to put the land into good condition for rapid germination after seeding, so there is little cause for worry over the late spring, and it is figured that wheat sown until the end of this week will stand an excellent chance to develop before the early frosts.

The Swastika Club held their regu-

Mrs. McKay. Further plans for the
Mother and Daughter banquet were
discussed, some amendments being
made to those of the last meeting.
Verna Pojar took charge of the

Then Helen Willis presented Molly

The programme committee then
offered quite an interesting pro-

Piano solo, Marjorie McEachern;
sketch, F. St. John; E. Jarman;
vocal solo, Mable Gordon; piano solo,
Stella Gordon; a sketch, "Lord

Then the girls all gathered around

sincere thanks and appreciation for
so kindly inviting us to her home for
the evening.
